

MobiPrint 5

By MobiloT

Meet the MobiPrint 5, your ultimate 4G mobile printing solution with Android 15 GMS OS. It features NFC reader technology certified EMV L1 Contactless RR2, an HD+ display, and high-performance processing, all tailored for professionals on the move.

The MP5 includes a durable silicone case and offers an optional charging cradle upon request. This product is designed to be long-lasting, upgradable, and to receive long-term software support.

Printer

The MobiPrint 5 delivers quick and reliable ticket printing with a PT48D thermal printer by PRT with a high speed of 70 mm/s, and comes with 2 printing rollers.

Powerful contactless technology

It is equipped with a front-facing, high-end NFC by NXP®, designed for user-friendly ergonomics. This optimized contactless capability ensures seamless and efficient transactions.

High performance

The MobiPrint 5 is powered by the MediaTek MT8768, Octa-core processor, which ensures smooth and efficient operation, even during intensive tasks.

Product Description

Key features

- Android app/Web app/FOTA
- NFC
- EMV L1 Contactless RR2
- SoftPoS ready
- Online/Offline transactions
- Barcode/QR code reading

App development environment

- Android 15
- GMS certified
- MobiloT advanced APIs, SDK
- Apps signature, Secure boot

Technical specifications

Connectivity

- 4G/3G/2G
- Wi-Fi 5 2.4GHz+5GHz
- Bluetooth 5.0
- NFC by NXP®

Processor

- MediaTek MT8768
- Octa-core up to 2.0GHz

Connectors

- Dual SIM 3FF
- Type-C USB
- OTG 2.0
- Charging pins

Camera

- Back: 5MP AF
- Flash: White single LED

Memory

- ROM: 32GB
- RAM: 4GB
- MicroSD card slot

Battery

- 3500mAh / 7.7V
- Removable

Display

- 5.45" HD+
- IPS in cell

Cat 4.
